"Local Business" is defined a business located within the New Orleans-Metairie-Kenner Metropolitan Area (Jefferson, Orleans, Plaquemines, St. Bernard, St. Charles, St. James, St. John the Baptist, and St. Tammany parishes).

"DBE" is defined as a business that has been certified as Socially and/or Economically Disadvantaged by the State and Local Economically Disadvantaged Business Enterprise Program (SLDBE). The SLDBE Program is a race-and gender-neutral program that does not presume social and economic disadvantage. The applicant, that is the business owner, must demonstrate social and economic disadvantage to qualify for the program.
