## LITTER ABATEMENT DOCUMENTS

Dear Sanitation Customer:

In accordance with Section 138-58(a-c) of the City of New Orleans Code, you are required to pay a Litter Abatement Charge in lieu of the monthly Sanitation Service charge. The Litter Abatement Charge for non-residential and multi-residential property is **\$100.00 per year or \$4.00 per unit, per year, whichever is greater.**

Enclosed are the Litter Abatement affidavit and application for exemption of the payment of the Sanitation Service Charge. The forms must be completed **annually** and returned with the appropriate Litter Abatement payment made payable to the Sewerage and Water Board. All **renewals** must be completed by March 31<sup>st</sup> of that year to receive an abatement for the months January – March. Applications received on April 1<sup>st</sup> or later will only apply to that month's Sanitation Service Charges and the remaining months of that calendar year.

Failure to remit the completed **renewal** documents by March 31<sup>st</sup> will result in the restoration of monthly Sanitation Service charges on your bill.

Please note any change of name, mailing address, account numbers, etc. on the application.

The following check list is provided to ensure remittance of all necessary documents:

- Application
- Notarized Affidavit
- Service agreement from private contract
- Appropriate Litter Abatement fee (Payable to Sewerage and Water Board)

If you have any questions, please contact Sewerage and Water Board Customer Service at (504) 529-2837 or (504) 52-WATER, or visit us at one of our customer service centers.
